Officially: a storage depot. Nothing to see here.
She is never late.
Level 1: the badge.
The first door is a lie.

Level 2: the code.

Level 3: the scan.

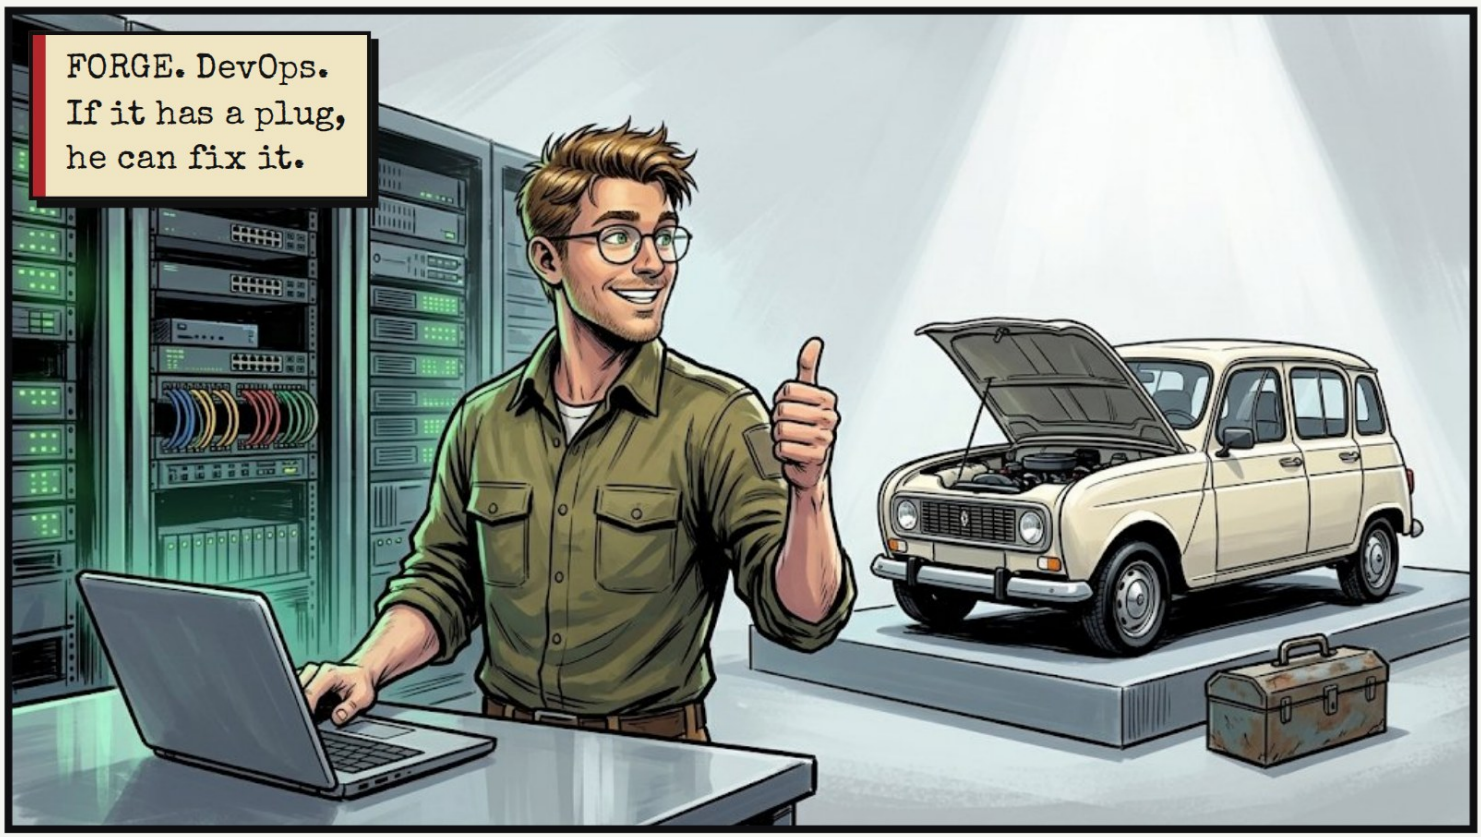

One door closes
before the next one opens.

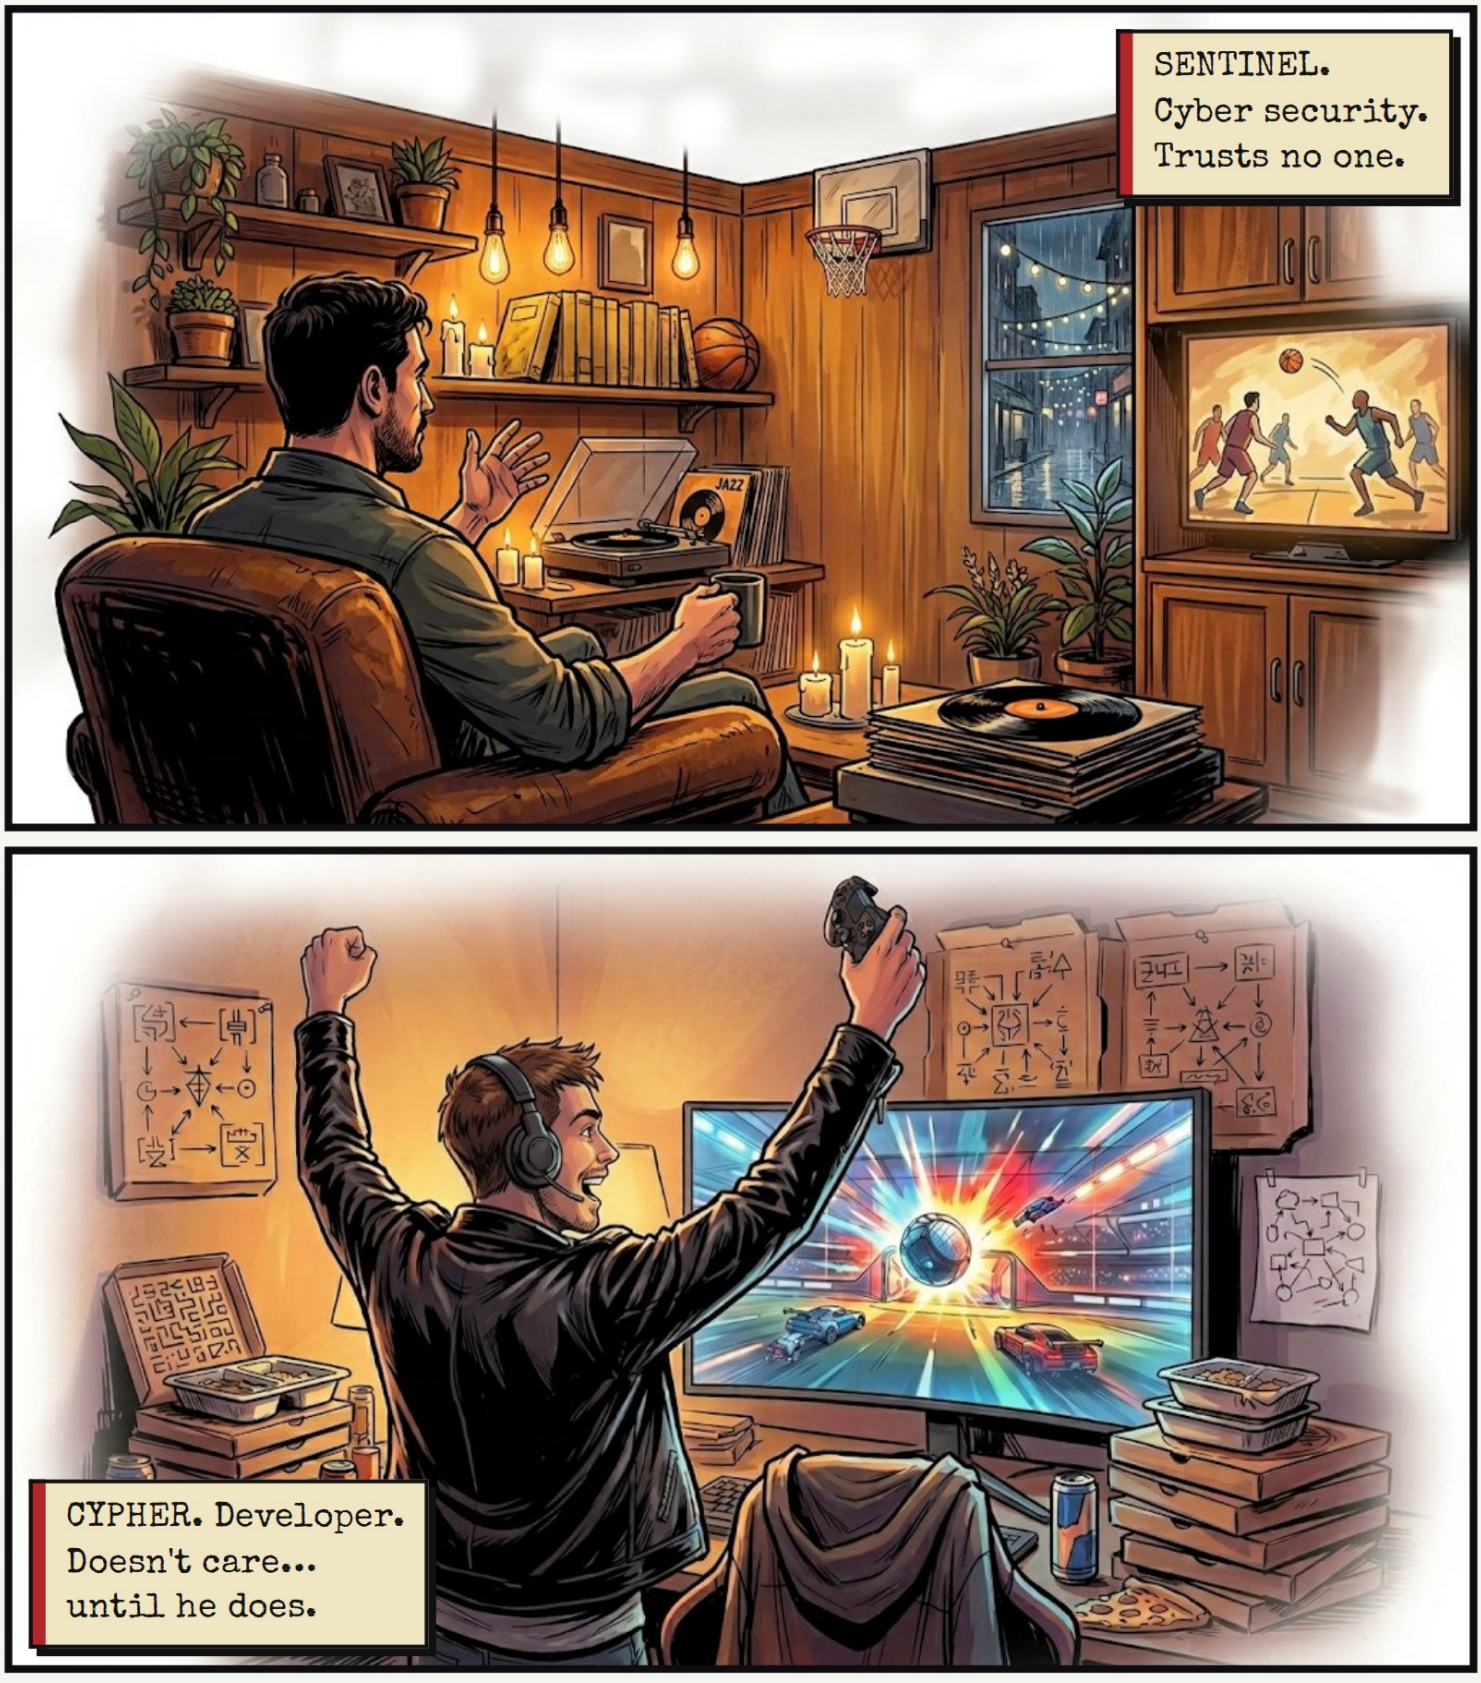

Someone is always watching.
A friend.

Sub-level 5.

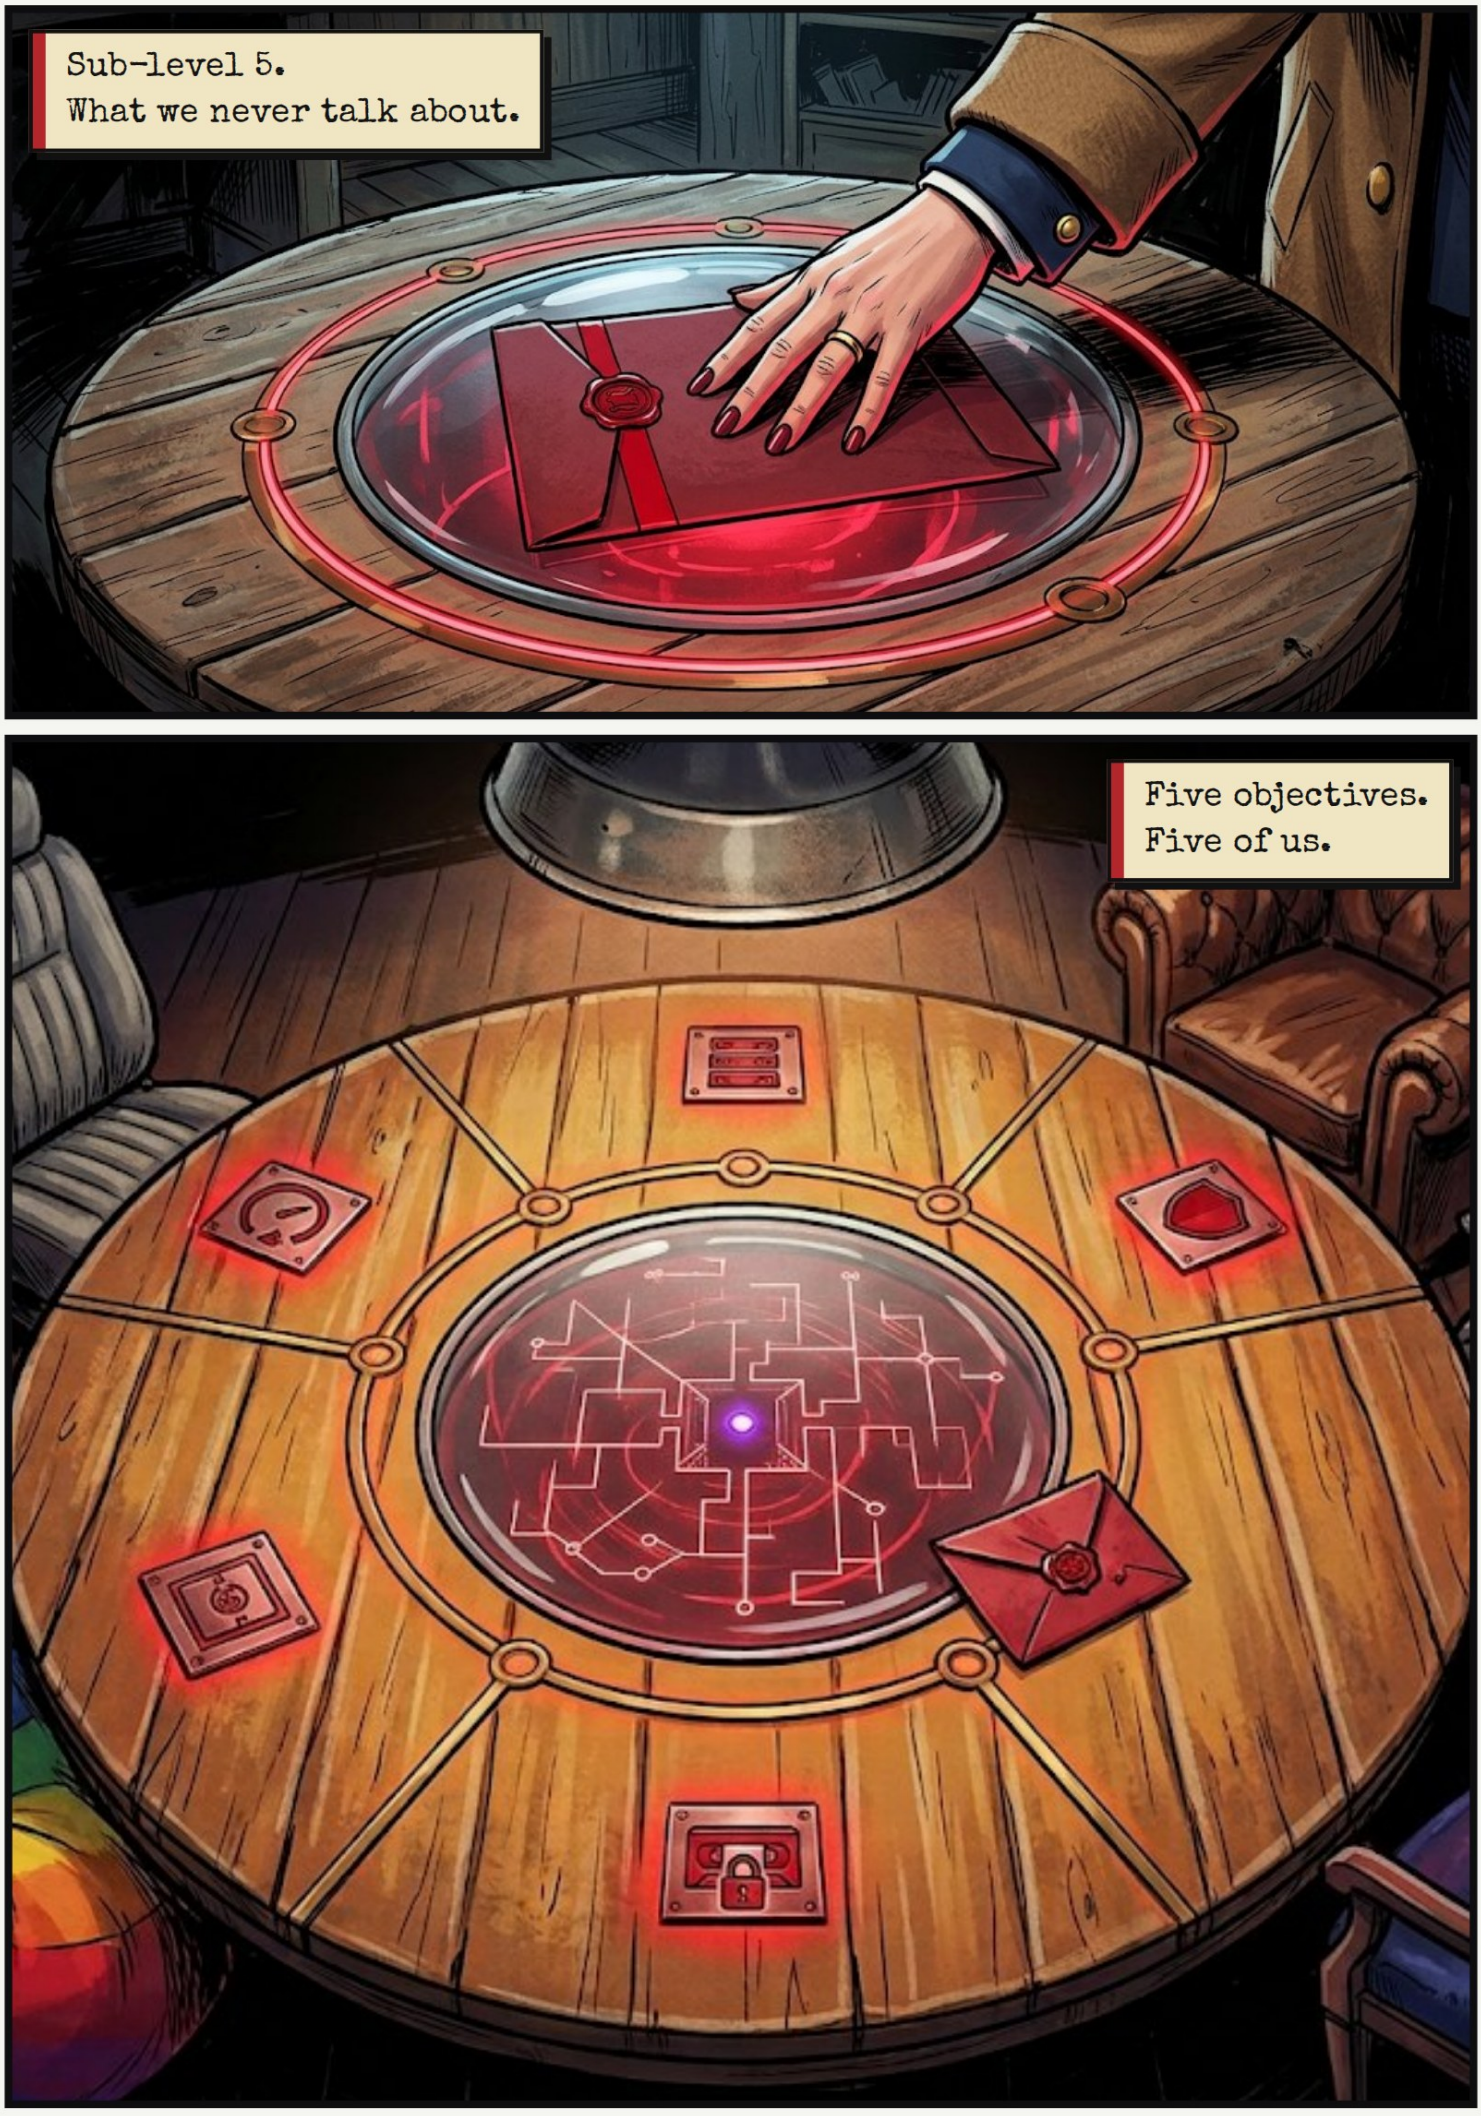

Home.

RELAY.
Apprentice developer.
Lives in her own world.

FORGE. DevOps.
If it has a plug,
he can fix it.

SENTINEL.
Cyber security.
Trusts no one.
JAZZ
CYPHER. Developer.
Doesn't care...
until he does.

COMMAND. Team leader.
Holds it all together.
EVERYONE, TABLE. NOW.

Sub-level 5.
What we never talk about.
Five objectives.
Five of us.

Below us sleeps the memory of an entire civilisation.

The Greys are already inside the government.

If they take the archive, or destroy it, the truth dies with it.

NOT ON OUR WATCH.
